

- 1) Meeting Reminder**
- 2) Lost & Found**
- 3) C-Skill Monitors needed**
- 4) Members Understanding**

- 1) This to remind everyone that Tuesday the 13th is the first Membership meeting with your new Club Board of Directors. The meeting will start at 3:00pm with our guest speaker. This will be recorded for TV22, so look sharp for the camera. Also a reminder: the speaker portion is open to all SCG residents to attend, so club members are advised to come early for best seating. Membership meeting will commence at apx. 3:50pm and end at 5:00pm.
- 2) This is your last notice to pickup any items you may have in the Lost & Found box at the Pavilion. Items will be taken to Goodwill 1/15/15.
- 3) We still need volunteers to monitor the weekly C Skill Level drop-in on Mondays at 2pm, you are allowed to play. Would like 3-4 people to rotate monitoring duty each week. If we don't get monitors I will have to cancel the C skill drop-in event.
- 4) We are asking the membership to be understanding of the changes we are making. Things are being adjusted to meet increases in demand for court playing time. We have tried to schedule events that address all skill levels of play. Please be patient and polite as everyone is working hard on your behalf.

Thank You
