Friday February 28<sup>th</sup> – Women

Saturday March 1<sup>st</sup> – Men

Sunday March 2<sup>nd</sup> – Mixed

There is an 80% chance of heavy rain on Saturday March 1<sup>st</sup>. Therefore, we have blocked out all 12 pickleball courts on Monday March 3<sup>rd</sup> so that we can use that time as a make up for Men's Saturday schedule.

We will revise the Monday schedule once we know how many courts will be needed and for how long after we get more information. If you have made reservations for Monday March 3<sup>rd</sup> please check the court reservation page for updates. Monday, 7 am – 8 am will still be available.

This tournament has been planned for 3 months and we ask that you understand our situation.

Thanks,

Bob Applebaum
