I appreciate you forwarding this email to other pickleball players you think might be interested. In addition to the September 2014 tours, dates for the 2015 tours are being finalized. Space is limited to 35 participants per tour.

I hope you can take part on one of the tours either this year or next. It's going to be a great experience for all who join us as we explore fascinating cities, play plenty of pickleball, and interact with the locals on and off the court.

I'm glad to answer questions anyone may have by email or telephone (phone numbers are available on the webpage).

Saludos from Spain,

Mike Hess, President
