Members NOT meeting the annual monitor requirement may be suspended from all club events in the New Year until the previous year's monitor requirements have been met. Alternatively, the Board may allow those members who have been unable to fulfill the monitor requirement to pay a higher renewal rate. Upon satisfactory makeup for the previous year's requirement, the member shall be reinstated.

Exceptions to Monitoring Requirements will be very limited and must be extraordinary. Members seeking an exception to the Monitor Requirement may submit a detailed written request to the Board stating the reason for the exception. The Board shall review the request and act on it at their next meeting. The Board's decision shall be final.
