2. Volunteers for Dysart School Instruction Needed

Looking for Volunteers:

The Pickleball Club has been teaching Pickleball at 2 of the Dysart schools this summer and will continue teaching at the After School Program, October 2014 - February 2015, for children ages 8 to 14. We need more volunteers for the January classes to accomplish this. Volunteers are required to be fingerprinted and complete some minor paperwork at the Dysart school district to obtain an ID card. The qualifications are simple: understand the game of Pickleball, teach beginners and commit your time and effort for a one day a week for 4 weeks, 2 hr sessions.

If interested contact: Nancy Hebeda, Instructor Coordinator at: happyman@cox.net.

Thanks,
Linda Durkee, Director
Dysart School Pickleball Program

Bob Applebaum
President
Pickleball Club
