

WHAT'S IN THIS EMAIL

- 1. Court Reservation changes for 2015**
- 2. Additions to Club Event Times 1/4/15**
- 3. Lost & Found Items**
- 4. Paddle Collection**
- 5. Monitors needed for January 2015**

1. Beginning with reservations for dates starting 1/1/2015, you will be able to log on at 9:00pm to reserve courts up to seven days in advance. Also beginning with reservations for dates starting 1/1/2015, you will only be able to reserve 1 court for 2 hours per person, per day. This is being done to allow everyone more access to reserve courts and we have been asked by CAM to do this.
2. As per the membership vote in October 2014, we were told to start booking more club event time. So starting 1/4/15:
 - We have added a New Afternoon Drop In from 2:00 to 4:00 pm. Check daily sheets for court locations Monday thru Saturday.
 - We have added a second N Skill Level Drop In on Fridays, 2:00 to 4:00 pm, on courts 9, 10, 11, & 12.
 - We have added a New 75 & Older Drop In on Saturdays from 2:00 to 4:00 pm, on courts 11 & 12.

We will be adding more events as we work on the monitoring requirement needed

3. Lost & Found items that have not been claimed by 1/14/2015 will be donated to Goodwill.
4. A club member is looking for good used paddles for a club in another state. He would like Graphite or equal and does not want wood or old style Champion types. He will take your red/yellow zone paddles off your hands. Contact: Dennis at pickleballpres@yahoo.com and include paddle manufacturer name/model & approximate age. I will inform you about compensation.
5. It's almost a new year, but we still need monitors for the month of January 2015, please sign up and help your club.

Happy Holidays & New Year from your 2015 & 2014 Pickleball Club board members.
