

NOTES ON UPDATED CHAPTERS 12 AND 13

CHAPTER 12

Section 3.0 is written to clarify the officer positions identified in Chapter 3.0 of the Charter Club Policies and Procedures (CCPP) manual.

Section 3.5 is amended to remove the three term limitation that was rejected by the HOA Board of Directors and to clarify which Board positions will be elected in alternate years.

Section 5.5 is deleted it no longer comports with summertime drop-in hours. The Club no longer uses the Club website to make court reservations.

Section 6.0 is amended to provide flexibility in dealing with members who elect not to perform activities that will award them monitor credits.

CHAPTER 13

The vast majority of Chapter 13 is woefully outdated and obsolete. Much of it provides information that no longer applies and, for the most part, is more appropriate for the club website than Chapter 13. Examples abound. Some are:

1. Ladder communications are directed to email addresses that do not even exist any longer. Ladder instructions are no longer followed as set forth. Ladder games must be played to 11 or 15 points, which reflects regular scoring. Most of Club activities going forward will use rally scoring to either 15 or 21. Scores are to be recorded on a score sheet. We now use The DEN for this.
2. Drop-in rules currently in Chapter 13 are obsolete. For example, it says drop-in for 2.5-3.0 will be Tuesdays at noon and drop-in for 3.5-4.0 will be Thursdays at noon. It calls for court facilitators that are no longer used.
3. Skill definitions are not set by the Club. Since Pickleball is now a national (and even international) sport with professional and amateur activities throughout the country the skill standards are established by governing entities. It would be appropriate to list these on our website, but not as a club rule.
4. Round Robin play is scheduled for Saturdays at 12:00 Noon. That is no longer the case. Round Robin rules set forth are also obsolete.
