

CORRECTION TO 11/11/2014 MINUTES AS APPROVED AT THE JANUARY MEMBERSHIP MEETING
(01/13/15)

Under New Business (2. MOTION)– remove the word ‘CAM’ and replace with ‘SCG Board of Directors’.

2. MOTION: The following motion was made by Mel Langer and seconded by Steve Katz. The president of the Pickleball Club, or his designee, shall approach the SCG Board of Directors and convey to them that the Pickleball Club would like to explore the possibility of having the courts cleaned at night, and would consider underwriting the additional cost for doing so. Presuming the SCG Board of Directors is amenable to this suggestion, they must let us know exactly what that additional cost would be, which would then be voted on by our members. This request is not to be made to Scott Phillips, who is merely an employee. To reiterate it must be made directly to the SCG Board of Directors.

Lynn Renick, Secretary
Sun City Grand Pickleball Club
